

Lincoln Board of Civil Authority Minutes

August 7, 2017, 7:00 p.m., at the Lincoln Town Office

Present: Will Sipsey, Bill Finger, James Needham, Sally Ober, Sally Taylor, Wendy Truax, Jared Buker, Nancy Stevens arrived at 7:15, David Marsters arrived at 8:30

Chair, James Needham, called the meeting to order at 7:00 p.m.

Sally O. made a motion to amend the agenda by reviewing checklist changes first. Wendy seconded. Passed.

We reviewed the voter checklist changes since March 1, 2017 (Additions, challenged, deletions). Sally O. noted that election laws have changed, and now people are automatically registered to vote when they update anything at the Dept. of Motor Vehicles (DMV), unless they specifically opt out of updating their voter registration. So this would explain why we have so many new voters added, even though the people have been living in town for a long time. Also, young voters are being added if they will turn 18 by November 6, 2018 according to law, so several of the additions are still 17 years old at this time. Sally T. made a motion to accept the changes as presented (see attached) and Jared seconded. Passed.

We reviewed the list of voters who are eligible to be purged, based on the fact that we sent them a challenge letter, they did not respond and did not vote for the past four years. We decided to keep Alfred (Bruce) Curavoo Jr. and Gary Pomainville, because they still own property in town and probably still live here. James made a motion and Wendy seconded to purge all the others. Passed.

We reviewed the voter checklists from Town Meeting 2017, November General Election 2016, and the August Primary 2016, identifying voters who did not vote. From those, we proposed to send challenge letters to the following people:

Steven Barnes (Sally O. has since run into him and he still lives here, so will not send him a challenge letter.)

Grace Blewer

Lee & Doris Cassidy (purge, both are deceased)

Passed.
