ARTICLE I

The Mount Abraham Union High School District No. 28 Board has determined that public interest or necessity demand incurring bonded indebtedness to finance the final design, permitting, site work and construction of renovations, capital improvements and additions to Mount Abraham Union Middle/High School at an estimated total project cost of Twenty-nine Million Five Hundred Thousand Dollars (\$29,500,000.00). It is expected that 0% of the project costs will be eligible for state school construction aid because there is presently a moratorium on state school construction aid funding. Therefore, the Mount Abraham Union High School District No. 28 will be responsible for 100% of the project costs (\$29,500,000.00) which the Board recommends be funded through the issuance of up to Twenty-nine Million Five Hundred Thousand Dollars (\$29,500,000) of general obligation bonds and with funds previously and to be budgeted for Construction Services. So:

Shall general obligation bonds of the Mount Abraham Union High School District No. 28 in an amount not to exceed Twenty-nine Million Five Hundred Thousand Dollars (\$29,500,000) be issued for the purpose of financing, together with other funds of the District, the final design, permitting, site work and the construction of renovations, capital improvements and additions to Mount Abraham Union Middle/High School together with related eligible project expenses?

State funds are not available at this time or this project is not eligible to receive state school construction aid. The Mount Abraham Union High School District No. 28 will be responsible for all costs of any borrowing and the costs of the improvements and additions to the Mount Abraham Union Middle/High School.
