

Town of Lincoln, Vermont  
Minutes of Select board Special Meeting  
Lincoln Town Office  
April 24, 2018  
Draft

Attending: Bill Finger, Selectboard Chair; Selectboard members Paul Forlenza, Oakley Smith, and Will Sipse; Dave Cavoretto, Road Foreman; Ann Kensek, Select board Ass't/Bookkeeper

Missing: James Needham

Bill called the meeting to order at 6pm.

Bill opened the discussion to review the bids received for Gove Hill “grants in aid” ditching project and consultant recommendation for bid award. The bids came in lump sum, but a detailed scope of work will be needed as well.

The DEC grant has a small match. The scope may be expanded to include the culvert right above where the job stops.

Linda Blasch from Better Back Roads came to see Gove Hill and advised Dave on the standards required for the ditch.

Discussion on vendors who placed bids. We need to have good records – and to do that they need to submit details.

Paul moved to accept Acker’s bid of \$13,900 to complete the project on Gove Hill. Will seconded, vote called and passed. Bill and Ann will notify both vendors of the decision on the bid award.

Brief discussion on a residence in town where a wall might be erected. The Board expressed concerns over ROW, blocking traffic view on the road, etc. Also, a block wall can collapse with frost, etc.

Meeting adjourned at 6:17p.m.
