Meeting Agenda

6:30

This meeting is expressly and solely to provide a forum for constructive public discussion of concerns, ideas and opportunities for response to the Mount Abraham Union School District Board and District Superintendent Reen's recent recommendation to "re-purpose" the Lincoln Community School, effectively closing the building as a school and sending Lincoln Community School students to distant communities for elementary education.

There are many ideas, opinions and suggestions as to how our community can act to protect and preserve the many acknowledged and celebrated strengths of LCS while understanding the need to be fiscally responsible within the town's resources.

This meeting is a follow-up to a special meeting held on December 18, 2020. It will provide opportunity for reports and updates from Lincoln groups, organizations and individuals to report their progress and to collaborate and coordinate for a rational, powerful unified community message to the MAUSD Board. Constructive new thoughts and ideas are always welcome.

Please come, listen and participate.
It is your school, your town and most importantly your community!
