

Lincoln Board of Civil Authority

Vote tabulator test

Feb. 17, 2022

Present: Sally Ober (Town Clerk), Caroline Siegfried (Asst. Clerk), and Mark Mulqueen (Justice of the Peace)

We tested both the primary and back-up memory cards for the vote tabulating machine, and verified the logic and accuracy of the program. All went well and the tabulator results matched our hand-count results. The cards were prepared for election and sealed into their proper locations.
