

Lincoln, VT Vote Tabulator Test Minutes
Tuesday, October 15, 2024 from 2 pm to 3:15 pm
At the Lincoln Town Office

Present: Caroline Siegfried, Asst. Clerk; Sally Ober, Town Clerk; Mark Mulqueen, Justice of the Peace

The purpose of this event was to test the logic and accuracy of the memory cards for our vote tabulator machine, to prepare for the November 5, 2024 Vermont General Election. We hand counted 20 test ballots (five of these were marked by the Omniballot accessible voting machine). All went well; the hand count results matched the tabulator results. The machine is prepared for Election Day. All chain of custody procedures were followed and the memory cards are installed with tamper-evident seals.
