May 18, 2022 SBE order:

“The State Board of Education INVITES the representatives of the Lincoln School Board to attend the State Board’s regular September 2022 meeting to present its proposals regarding the provision of supervisory union services, including those necessary to meet education quality standards and other state and federal laws, and to answer State Board questions.”

From July Email:

“[The SBE requests] that by, no later than September 1st, you submit to the Board in writing your preferences for each of the following potential outcomes:

1. Assign the Lincoln School District to an existing, multi-district Supervisory Union

a. Which SU would be preferred and why?

b. What other SUs have been considered and why are they not preferred?

2. Create a new SU that includes the Lincoln School District and one or more other town school districts and/or union school districts

a. Which other town school districts and/or union school districts and why?

b. How do your preferences change if one or more of these town school districts and/or union school districts abandons its withdrawal efforts?

3. Designate the Lincoln School District as a supervisory district in order to provide its own supervisory services

a. How will Lincoln ensure the provision of supervisory union services, including those services necessary to meet education quality standards and other state and federal laws?

4. Deconstruct a Supervisory District into an SU that will provide supervisory union services to the Lincoln School District

a. Which SD and why?

b. What other SDs have been considered and why are they not preferred?

c. SDs are the "preferred governance structure" as determined by the General Assembly; what grounds would support the Board deconstructing an SD into a less desirable structure to accommodate Lincoln? “
