

LINCOLN CONSERVATION COMMISSION - NOTES

April 11, 2022

Present: Sandra, Lisa, Jan, Judy

Green Up Day

- Coordinator needed (used to be Dawn Mikkelson). Selectboard wants LCC to do that. Discussion of how to organize. In the past there have been lunches, raffles, etc. This year we are planning to focus on the basics: provide bags and coordination of roads covered to maximize efficiency.
- Trash drop-off will be at the dump this year
- Katie & Sandra have conflicts; Lisa can work at the station that Saturday. Maybe Charlie, too.
- Brian McDonough will pick up bags in Middlebury, Sandra will distribute to General Store and Town Office.
- Some people will pick up trash before Saturday - have clipboards at both bag locations and ask people to write down where they plan to pick up
- Sandra will contact Dawn
- Partner with another org that might want to do a bbq? (there is a \$400 budget)
- FPF post -Katie will find out final time/place and post. Lisa will talk to Vanesa about putting a table at the store and whether she'd like to sell us coffee & pastries. Katie will also send out save the date post right away. 8-noon, until 1 at the dump. Don't leave by the side of the road.

LCC Admin

- Sandra raises the issue of rotating roles? Sandra proposes that rotation will keep vitality high. Katie volunteers to be new Chair (is officially nominated and approved unanimously)
- Secretary job will rotate every 3 months (let's try it and see how it goes!). Lisa volunteers to go first.
- Tasks for officers:
 - Chair: Remind everyone of the meeting when its coming up (second Monday of each month), assemble and send agenda via email, post agenda on Friday at town office (outdoor board by the road), Burnham Hall, and at the Library on town business board, run meetings, be contact person for Sally
 - Secretary: take notes at meeting or find delegate to do so, share draft notes with LCC, send final notes to Anne (*email*)

Bee the Change - update from Jan, still in process

Geocache at Willard's Woods - Jan will be setting it up with a group over April school break
